

My name is Sally Eng. I am a Cruise Specialist with Cruise Planners. We are an Award Winning Agency and an American Express Travel Services Representative agency. We have a tremendous reputation for quality, service, and competitive pricing. Working with all the cruise lines & due to our high sales volume, our buying power enables us to offer you the opportunity to cruise in style at the lowest prices available, while still receiving the best service in the cruise business.

My goal is to provide the best values afloat and the best service ever! I take the time to get to know my clients and their travel needs. My many highly satisfied clients appreciate my attentiveness and willingness to go the extra mile to provide personalized & professional service.

I plan Honeymoons & Wedding Cruises, Family and School Reunions, Church Groups, Anniversaries and Birthdays, Group & Individual Travel, Theme Cruising (Dancing, Golfing, Music, Food and Wine), Corporate Incentives, Certified Medical & Legal Seminars at Sea and many more.

Today, we find ourselves in the midst of challenging times...and as a result, we spend more time with family & friends. We place thoughtful consideration on how we spend our money and what to do for vacation....This brings us to "*Cruising*".

Cruising is an all-around great value way of travel. Discover different ports of call; take exotic shore excursions (swim with dolphins?). No need to pack & unpack, or make hotel reservations. Never have to worry where you're going for dinner; entertainment is provided at no extra cost. So many activities: sit by the pool; play basketball; go dancing; get a spa treatment; go to an art auction or rock climb. The kids will make friends within their age range under supervised & entertaining programs. Accommodations are those of a first class hotel that comes in all sizes and budgets. What more can you ask for?!
